

THE ROOKIES

A "rookie" show indeed! This was its first year on the air and because of its success you'll be able to watch Michael Ontkean and his buddies next year too!

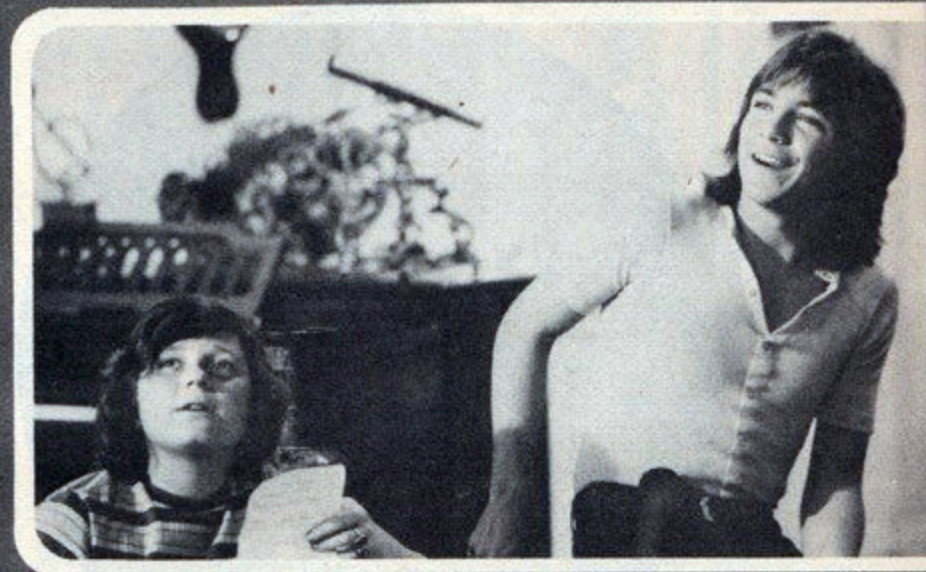

THE WALTONS

They're calling it the sensation of the year! And Richard Thomas the star of the year! Nobody in show business thought the show would go! It not only went, but it took off with a lot of Emmys!

THE PARTRIDGE FAMILY

An old-timer but still a great show! PF goes into its 4th season this fall! David will be on the show and he'll have a new friend!

TEMPERATURES RISING

Clevon Little's one of the funniest guys around—so was his new show! A few changes in store for TR next year—James Whitmore will be replaced by Paul Lynde, whose own show was cancelled!
