THE ARIES PERSONALITY

Nothing stands in Aries way when he wants to get something done! He's impulsive, outlandish and **very** courageous. The Arien tends to be self-sufficient and independent—he doesn't want to have to count on anyone. But he's as honest as a person could be and everyone goes to him for advice.

ARIES IN LOVE

Take your vitamins to keep up with him! Aries is full of energy and a million "things-to-do" ideas. His gifts are creative and personal and he loves to surprise you! Aries has a roving eye but if you convince him you're the one, he will be a thoughtful, exciting sweetheart.

Jimmy Osmond—April 16

Jimmy knows he has to "try harder" since he's the youngest in such a large family! With typical Arien energy, Jimmy's proved himself an expert at solving brain teas-

ers and puzzles! Do you have any to test Jimmy with? He'd love to rise to the challenge! Send them to Jimmy at Box 8888, Salt Lake City, Utah 84108.
