

Hi Fan Lovers!

We felt really pleased with ourselves the other day when we heard that lots of your favourite pop people, including David Cassidy, actually cut out the pin-ups in FAN. David's mum thinks we print some of the best photos of her son and it's David's task to save them for her. You know what Mums are like!

We also heard that the top pop disco in superstarland —yes, Los Angeles— has lots of our Fan pin-ups plastered all over its walls.

We know by your letters that you also think that Fan is best for pin-ups and exclusive interviews, so make sure you make a date with us every month for your own special collection of the tops in pop!

With very best wishes,

*Paul Raven*  
Editor.

Dear Gary,

My friend told me that you're getting married again soon. I'm a great fan of yours and if you got married I'd be happy and sad at the same time. I'd be happy for you but sad because I was missing out on having you for my very own. Anyway, please tell me if it's true.

Paula Slater, Bristol.

*\*Hi there Paula!*

*How have I got time to get married? There's so much happening for me right now that I think marriage is the furthest thing from my mind. My fans and my music are all that matter to me!*

Gary.

Dear Sparks,

The first time I ever saw you was on 'Saturday Scene'

and I quite liked you. Now I just can't get enough of your music and your super lead singer, Russ. Please let's see more of you . . . and quick!  
Penny Butler, Leeds.

*\*Start flipping the pages, Penny, and Sparks will soon be flying!*

The Editor.

Dear Slade,

Why don't you make a TV series? I think you're the most amusing group around (and the best sounding!) and as you're all such great characters and have a natural sense of fun you'd come over so fantastically on the small screen. I'm sure that even my Mum and our dog would laugh at your crazy antics!

Diane Smith, Huddersfield.

Dear David Essex,

What with school and one thing and another, there aren't many exciting things in my life. I think that's why I value you so much. Although we've never met I feel that you're a friend and I've a special picture of you which I keep by my bed. Whenever I've got any problems I talk to the picture just as if you are really there. I'm sure if you were with me you'd lend a sympathetic ear. Thanks for being David Essex.  
Jan Coles, Middx.

**We understand that Eileen Blamey of 56, Reedworth Street, London S.E.1. was injured in such an incident and we unreservedly apologise to her and her parents for any distress caused by such a groundless remark.**
