MORE ON MG, LESS ON DO!
 I just fell in love with handsome Michael Gray! Please print something on his childhood and family and more pics too! Oh yea! Cool it on Donny Osmond for a while. Everyone I know thinks he's conceited and over published!

Thanx a million,
 Karen

Dear Sharon,
 My best friend just received her Secret of Tony book and I fell in love with it! Can I get one?

Dear Elin,
 Yes! And for all the details on how to get your "Secret of Tony," turn to page 77 and send in the order blank!

Dear Sharon,
 I'm a super Brady fan, especially of Maureen and I'd like to know if I can still get a copy of her book, "Every Girl Can Be Popular."

Dear Natalie,
 You sure can! "Every Girl Can Be Popular" is still available and you can get all the info by turning to page 105.

SPEAK'N MY MIND

This is directed to Dee Dee and Liza, the girls who wrote in the Sept. issue of TB that the Osmonds were dull without the Heywoods. The Osmonds could hardly be called dull. Not with all of their super great talent, good looks and friendliness! Think about this — you probably wouldn't even know of the Heywoods if they hadn't been with the Osmonds. Don't get me wrong, I like the Heywoods and I think they're great, but the Osmonds are the best!

Dear Tiger Talk,
 I always read your magazine and I think it's really great, but all I ever read about is David Cassidy, Osmonds and the Jackson Five! Sometimes I come across a real good story on someone else, but I never come across any stories on Johnny Whitaker. Please put one in on him 'cause he's so cool!!

Thanx,
 A J.W. Fan

4,145!!!!!!

I just got finished counting all of my Osmond pix (with the help of an adding machine) and I have a total of 4,145! They include pix from the fan club, "Osmonds in Concert," "Traveling with the Osmonds," "Fun, Fame & Family," "Osmonds Photo Memories," "Osmonds Love Gift," pin-ups, pix, from album covers and bubble gum cards! And every time I buy

a magazine the amount increases. It's incredible!

Osmonds 4-ever!

SUPER STARS

I just think the Brady Bunch are super and I wish you would put in some posters and stories about them.
 Thanks,
 Brady Fan Always

Dear Tiger Talk,
 You made a "big mistake" in one of your issues! It said that Tony DeFranco has a voice that sounds like Donny or Michael Jackson. "WRONG!" Tony has a sweet soft voice and Donny and Michael don't. I don't especially care for the way they sing. Tony is the best singer ever and I'm sure it'll stay that way!

FISHED UP A FAVE

I had the strangest dream I've ever had in my life! I was fishing off my father's boat and all of a sudden I felt a strong pull at the end of the line. Dad came running over to help me reel it in and there was Donny Osmond at the end of my line! I bent over to kiss him and as our lips almost touched, I woke up. To this day I still can feel that beautiful moment!

MAMA'S CRAZY

When my mom saw Simon Turner in the Tiger Beat mag, I tell ya she went crazy! She always went for the blonds, but not like she went for Simon! She never could stand the name Simon, but now she thinks it's beautiful! And they talk about us teenagers! Ha!

NOT DeFRANCOS

I'd like to say that I am the biggest Osmond fan in the whole wide world! I said Osmonds, not DeFrancos! Who said the DeFrancos are tops? Beats me! Come on Tiger Beat! Let's have more on the Osmonds!

TRUE BELIEVER

Wow! I use to think Tiger Beat made up their calendar until I visited Provo, Utah, last July and found out those fantastic Osmonds were there 3 weeks before which was the exact date Tiger Beat's July calendar said they would. Now I know I can believe what the Tiger Beat Up-To-Date Calendar has to say!
