

Dear Sharon,

My girl friend has a neat book called "Fun, Fame & Family," by Marie Osmond and she said she ordered it through your magazine. Is that correct? Can I get a copy?

Cydell Watson
Ogden, Utah

Dear Cydell,

All the details for Marie's book are on page 91. Hurry and send today 'cause you'll really enjoy it!

NO BROWSING!!

My girlfriend and I always hang out at the local drug store and read the magazines. There's one old mean lady who works there and always chases us away and tells us "No browsing, buy what you want and take it home." So we don't patronize that drug store anymore. Instead we both subscribed to Tiger Beat and it sure beats browsing!

GREAT GROUP

There's a group I saw in concert a couple of weeks ago and I really thought they were great! I'm talking about Peter Noone and Herman's Hermits! They're not washed up yet and they're really super. Please print something about them!

FAVORITE FAMILY

Out of all the families on TV the greatest to me is the Waltons! Richard Thomas is out of this world and a very fine actor! I also think David Harper is a living doll and Mary Elizabeth is so pretty! The Waltons cannot compare with the Brady family or the Partridges or any other family you find around. In my eyes the Waltons are fantastic, on the set or off!

Dear Tiger,

I've been following your magazine for a long long time and in the past you've never let me down. What's happening? My fave group is the Heywoods and you haven't had any pop-out color posters, or pics of them. Please Tiger—lots of pics and stuff about the fabulous, fantastic, super-great HEYWOODS! Please don't let me down!

Luv Ya,
Candy Roman

OSBRO GARDEN

I'm the envy of all the girls on my block and all because I planted a garden of sunflowers and gave them each a name. They're the big huge yellow ones and I call them—Alan, Wayne, Donny, Jay and Merrill! By each flower is a rock with a name by it. Now all the girls on my block are growing flowers for faves!

Hi there Sharon,

Just recently I picked up the Sept. issue of TB and when I started flipping through the pages, my mouth suddenly dropped to the floor! There was a beautiful new face staring at me! Who am I talking about? It's gorgeous Simon Turner of course! Suddenly I felt I wanted to know everything about him. But for now, could you please tell me where I can write him—he's such a doll!

Carol Marciniak

Dear Carol,

You can write to Simon c/o Tiger Beat, 7060 Hollywood Blvd., Suite 800, Hollywood, Calif. 90028.

A FIELD FULL OF...

Wouldn't it be neat if you could walk out into a huge field and instead of finding a field full of daisies you'd find a field full of Rick Springfields growing? I sure do!

DONNY'S DAY

I really love Donny Osmond and so do all my friends. I guess you'd call us all a Donny Admiration Society. Anyway we all decided to pay special tribute to a great guy. So we had a Donny Dress Alike Day at school. We all wore the color purple whether it was pants, a dress or whatever and Donny O caps. It was great fun and if I do say so myself we all looked pretty neat!

DAVID'S TRUNK

A friend of mine gave me a really neat old trunk. The inside of it is in perfect condition but the outside looks like it got hit by a tornado, which is just about what happened. The trunk was left out in a thunder storm. Anyway I came up with a great idea on how to patch it up and I'd like to share it. First I painted the trunk a bright orange to smooth it out and even it. Then I made a collage. But instead of using any old picture I did it all with David Cassidy's pics. It looks fantastic! Try it you'll like it.

Karen
