READ ALL ABOUT IT—The place you'll find the answers to all those rumors!

## FRIENDS ARE NO LONGER "FRIENDS"!!

**West Hollywood:** Not true at all! The group Friends are still close friends in private and they want you to know they always will be pals! And Darryl Cotton, Steve Kipner and Michael Lloyd are happier than ever (and friendlier) now that their new single has been released by MGM. It's called "Gonna Have a Good Time," and you'll have a good time every time you listen to it!

FRIENDS

DAVID

## DAVID CASSIDY LEAVES HOLLYWOOD!!

**Hawaii:** It's not true that David Cassidy has left Hollywood for good to settle down in Hawaii, but as soon as David's contract on *The Partridge Family* is up, he does plan to settle down in the islands. David has always liked Hawaii, and for the past few years, he's spent all his vacations lying on the beaches of the 50th State. Now he says he'll settle down there and spend his time raising racehorses. Aloha, Secretariat???

BRADY BOYS

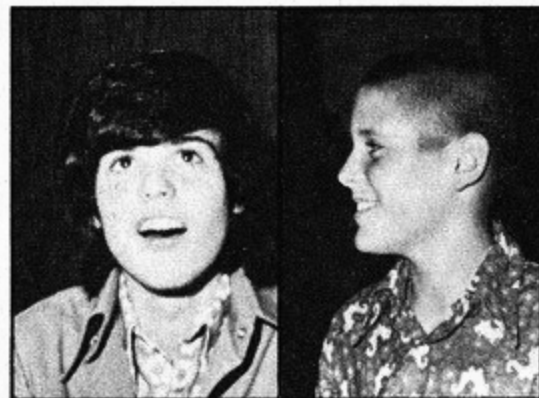

## BRADY BUNCH KIDNAPPED TO ENGLAND!

**London:** This rumor is half true—the good half. The Brady Bunch kids did go to London, but they weren't kidnapped. Brady "pop" Robert Reed took all the kids to London during a hiatus in the filming. But he didn't have to force them to go along! They couldn't have been happier at the present, especially when they found out they were sailing across the ocean on the Queen Elizabeth! They had the best time ever!

## OSMONDS TRAPPED IN HOTEL FIRE!

**Las Vegas:** Yes, this rumor is true. But, luckily, the Osmonds weren't trapped for long and escaped unhurt. It all happened in Las Vegas at Caesars Palace, where the brothers were opening. In the wee, wee hours of the morning, a fire started in a convention suite and several floors of the luxury hotel had to be evacuated—including the floor on which the Osmonds were staying. Like the other guests, the boys were forced to leave the hotel wearing pajamas, exiting down an indoor stairway.

As soon as the okay was given, they wearily crawled back to bed. But it was an event they won't forget in a hurry. Even the Osmonds had to laugh when the strange truth came out: the fire started in a suite rented by a fire insurance group for a business meeting!!!

DONNY

RADAMES

## RADAMES PERA LOSES HIS HAIR FOR GOOD!

**Hollywood:** No, girls, don't worry, Radames is not permanently bald! His preparations for *Kung Fu* did change this year, and instead of wearing a make-believe baldness cap, he does actually shave his head. But that's just while he's working! On hiatus, he lets his brown curls grow again. Radames says his hair seems even healthier when it grows in again each time. But he doesn't recommend shaving your head as a beauty secret!

## JERMAINE AND MICHAEL JACKSON BOTH MARRY IN DOUBLE CEREMONY!

**Los Angeles:** No, this isn't true.
