

strategic points in your body to cure any number of problems—even used for anesthetic during operations! **GEORGE FRAYNE** of **COMMANDER CODY AND HIS LOST PLANET AIRMEN** had acupuncture treatments to cure his back ailments (obtained while riding in a New York cab—how else?). He told us “I was a bit leery at first, but

lease very few records and each gets individual attention. . . **THE GRATEFUL DEAD** (also with their own label, Grateful Dead Records) have released “Wake of the Flood” which is their first studio album in three years—great sounds, too! . . . **DIANA ROSS & MARVIN GAYE** together have a single out that’s fantastic—“A Special Part Of Me”—

**MARIE HAS** plenty to sing about these days with her “Paper Roses”!

**THIS HAPPY** group is The Pointer Sisters! The deejay sitting with them is Larry Wilson (**CHUM-FM** in Toronto, Canada). Their records are always hits! The nice thing is that everyone agrees they’re such gems to work with!

you don’t feel the needles and the results are amazing!” Think you’d try it???. . . **THE MOODY BLUES** (the rock group that really isn’t—they’ve been applauded by such people as **LEONARD BERNSTEIN** and **ANDRE PREVIN** and are lecturing in the field of classical music at the Eastman School in New York) now own their own record company, Threshold Records, based in London. Because they’re artists themselves, they know how to treat other artists on their label (among them, **NICKY JAMES**, our New-comer of last month)—they re-

**DAVID KEEPS** busy with singing—he might not have “Partridge” soon.

**WHO SAYS** Donny wants to be like Alice Cooper? See page 42 for story!

**THE SYLVERS** family always have a ball when they’re together—and even this isn’t all of them! Our sister magazine, Right On!, tells us they get just as much mail as the Jackson 5 . . . sometimes more! They’re great to know!

**LENNON** seen with at a cozy French bistro on the Strip in Hollywood??!? She was pretty, she was Oriental—but it wasn’t **YOKO!** . . . **DAVID CASSIDY** was refused permission for a free Central Park concert because NYC was afraid there might be a problem with fans getting hurt in the crowd. . . **GOLDEN TONES**—“Los Cochinos”—the newest comedy album by **CHEECH** and **CHONG** has already received a gold record by selling a million copies. . . **THE ROLLING STONES**, in their usual fashion, sold a million on “Goat’s Head Soup” in about a month’s time. . . That’s it for this this month! See you next year!
