

Southern California . . . hmmm?) Actually, I hear that most of the **PARTRIDGE** clan would prefer not to come back. It wasn't a totally unhappy set—it's just that everyone kept pretty much to themselves and most were dissatisfied with their roles. I do have to admit that all of the stars of **PARTRIDGE** maintained a high level of professionalism. They tried to do their very best—even when things were not all

that cheery around the set. **DAVID CASSIDY** was, by far, the most aloof of the stars. I have reasoned and rationalized that his aloofness was (and probably still is) a defense mechanism that he developed when he became a superstar. **DAVID** is a sensitive young man who probably gets hurt far more times than he cares to admit—so his avoidance of getting hurt was just this "stay away from me attitude." Such a shame, too,

because **DAVID** seems like he could be such a good pal!

ANOTHER TIME—ANOTHER SET . . . Then there was the fabulous two hours I spent with **BERT CONVY** on the "SNOOP SISTERS" set. Before you ask, the week I was visiting was not **ALICE COOPER**'s guest stint—darn it! **BERT CONVY** is a very down-to-earth man. He talked about car problems, his family, rude people, and what a good kisser **SHIRLEY**

FUN & GAMES DEPT. . . .

Ok—now's the time we have some fun and games with the one and only **OSMONDS**. Below is an **OSMOND** puzzler and if you're an **OSMOND** fan at all you ought to have this game polished off in no time. Rots of Ruck (translation please: Lots of Luck!).

OSMOND PEOPLE & PLACE PUZZLER

How much do you know about the Osmonds? How smart are you? You'll find out both answers if you take this special quiz!

The Osmond People and Place Puzzler is a two-part quiz: First, you have to answer questions from what you know about the Osmonds and their lives! And, until you know the answers, you can't finish the puzzle!

You see, the answers to the questions are found in the jumble of letters below! Part Two of the quiz is to circle the answers in the letter maze. An answer can be in a straight line, on a diagonal or up-and-down.

We'll give you a headstart with the first question. We've filled in the answer, then found (and circled) it in the

maze of letters! See how well you do from there . . . and (no cheating!) check your answers against the solutions on page 60!
