Q: Is it true that DAVID CASSIDY is jealous of his brother SHAUN starting to cut in on DAVID's publicity?

A: Jealous isn't the right word for it. It's reported that everyone is disgusted! DAVID, his father, JACK, and stepmother, SHIRLEY, are all upset by SHAUN's antics. SHIRLEY and JACK CASSIDY purposely sent SHAUN away to a private school in the East to keep him out of the limelight but SHAUN somehow keeps getting his picture into the magazines. GOSSIP's opinion is that SHAUN will NOT pursue a career in show business.

Q: I read somewhere that RANDY MANTOOTH once did a nude shooting for a fashion magazine in New York. Is this true?

A: No, this isn't true. What you probably heard was that RANDY did a layout for After Dark magazine that could be considered "unusual" but certainly not nude. RANDY, himself, wishes that he hadn't done that photo layout... which was probably shot more than two and a half years ago!

Q: I understand that BOBBY SHERMAN is broke and all washed up in Hollywood and that he's

deeply depressed after having been such a big teen star.

A: Totally wrong! BOBBY SHERMAN is quite wealthy due to good management by Ward Sylvester. As far as being washed up in Hollywood, BOBBY isn't sitting around waiting for roles to come along. He has his own production company called Phase Two productions and is now involved in filming commercials.

Q: There's a story going around about MARISA DeFRANCO. They say she's secretly married, but won't admit it because it might hurt the DeFRANCO FAMILY's success. Is this true?

A: Definitely not true. MARISA has had boyfriends in the past but currently she's not even dating a particular boy. In fact, the entire DeFRANCO FAMILY is working so hard on their career, none of them are dating.

Q: Who gets the most fan mail, KEVIN TIGHE or RANDY MANTOOTH? And, is there a feud going on between these two stars?

A: RANDY gets the most fan mail. Outwardly, there appears to be no problem between RANDY and KEVIN. On the shows so

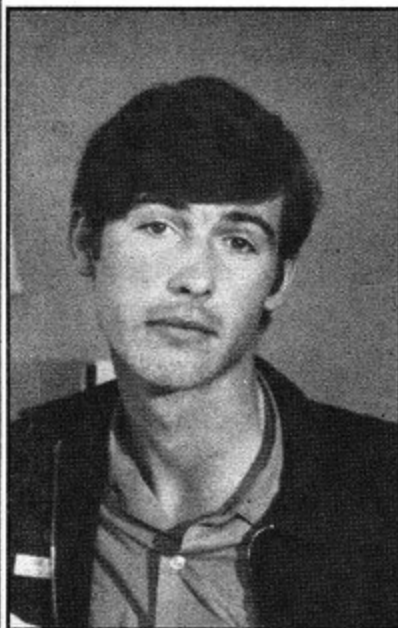

far you'll notice that KEVIN is given just as many lines as RANDY and often he has more to do. As long as their salaries stay equal the parts are divided fairly, I doubt that there will be quibbling over who gets the most fan mail.

Q: Why does MARIE OSMOND insist on wearing all that makeup? She looks more like 21 than 14!

A: As you may know, MARIE has her own makeup business on the side and is doing quite nicely at it. Perhaps she tends to emphasize the makeup a bit too much in order to call prospective customers' attention to the product! Who really knows?
