### EQUAL LOVE

I love the Osmonds very much and I also love the DeFrancos very much. And on the case of the DeFrancos taking top, I think that the DeFrancos and Osmonds could very well share it together!

### DISGUSTED WITH REDFORD FANS

Come on girls, what's up with you? Robert Redford's old enough to be our father so let's stop acting like he is some kind of teenage idol. Wake up! He's 36 years-old! He's a great actor but let's not get carried away!

### MY KIND OF GUY!

Tony's really the guy for me! I'm not like a lot of girls who love him only because he's famous and cute. I love Tony because of the beautiful person he is and the things he does and says! Everytime I read about him I love him even more!

### CASSIDY CRAZE!!

This is a short letter of recommendation for Mr. David Cassidy. I feel that you're not putting out as good of a magazine as you use to. Now I see Tony and Donny's face instead of gorgeous David. David is great, talented, sexy and so on, and I think he should be the one to grace the magazine. Please go back to putting lots of pictures of David in the magazine so you can become just like me...

Dear Liz,

I think Jon Walmsey, of the Waltons, is so darling! I heard he was born in England. Is that true?

Amanda Mantell  
Moorhead, Minn.

Dear Amanda,

Yes! Darling Jon was born in Blackburn, England, on February 6, 1956!

### CUTEST VALENTINE

I thought the movie, "The Girl Who Came Gift Wrapped," was really super! Karen Valentine was great (as always) and I think that she's a living doll! I was really mad when "Room 222" went off the air! That just wasn't fair!

### MOVE OVER OS!

The DeFrancos are super and they're #1 as far as I'm concerned. Move over Osmonds and hand them the crown!
