There's sort of a long story about that, but **DONNY**'s going to tell it to you in the July issue. I think he looks nice with it shorter, after all, could he ever look terrible?

The **OS BROS.** are working super fast to get their latest album out to you! It's the first one they've really completely recorded in their Utah studio, so it's a bit special to them. **MI-**

LITTLE STARS RODNEY Allen Rippey and **Ricky** Segall dressed up in their Sunday best when they presented awards at Americans Music Awards ceremonies! Aren't they real darlings?

CHALE LLOYD and **ALAN, WAYNE** and **MERRILL**, and even **DONNY** have had a hand in producing this one. It's bound to be sensational and that old saying "Too many cooks spoil the broth" certainly isn't true as far as the **OSMONDS** are concerned. When they all lend a hand, it only gets better and better. Did you see **JIMMY OSMOND** on "The Johnny Carson Show" a while back? He was a real cutie. Talk shows seem to be his bag, don't you think? I'd love to see **DONNY** or **JAY** on one—as the host!

Now that "Emergency!" is on hiatus for a bit it's hard to get hold of **RANDY MANTOOTH** at all! You probably

RONNY Howard from "Happy Days" is good buddies with brother **Clint** Howard who stars on "The Cowboys."

know how he loves to go off camping or hiking in the wilderness for weeks at a time? Well, that's what he did, so luckily we had a chance to have a long chat with him before he went away! Otherwise we wouldn't have any stories on him for the entire summer, and a **Tiger Beat** without **RANDY MANTOOTH** is just like no **Tiger Beat** at all! But, **RANDY** sends his "hellos" from the desert, or the mountains, or the seashore—wherever he might be.

ANSON WILLIAMS from television's "The Happy Days" came up for an interview and talked to **LIZ DAGUCON**, **Tiger Beat**'s sister editor (of **Tiger Beat Spectacular** and **FaVE**). **LIZ**
