**Q. I heard that Donny Osmond is going steady with a girl named Debbie Johnson and that he met her while he was performing in Hollywood! Please tell me it isn't true!** B.M.—Stella, Neb.

A. No, it isn't true. Donny is not going steady with anyone!

**Q. Can you please tell me where Cory Wells, Chuck Negrón, and Danny Hutton of 3DN are from, and how old they are?** M.F.—West Haven, Conn.

A. Sure! Cory was born on February 5, 1946 in Buffalo, New York. Chuck on June 8, 1945 in Brooklyn, New York. And Danny was born on September 10, or 12 (he's not sure which!) 1943, in Bunrana, Ireland!

THE OSMONDS

**Q. I think Bread is a farout group, but I heard they split up! Is this really true?** C.G.—Rupert, Ida.

A. Sorry to say it is true. The guys have all decided to go their separate ways, but there is some hope they may get back together again some time in the future.

**Q. Will Donny ever consider dating a girl two years younger than him?** K.W.—Norfolk, Va.

A. Donny told me personally that he has set no age limit on the girls he'll date. He says he's going to date girls he likes, no matter how old or young they are.

**Q. What is David Cassidy's real name? I hope that's it, because it fits him so perfectly!** P.M.—Healdsburg, Calif.

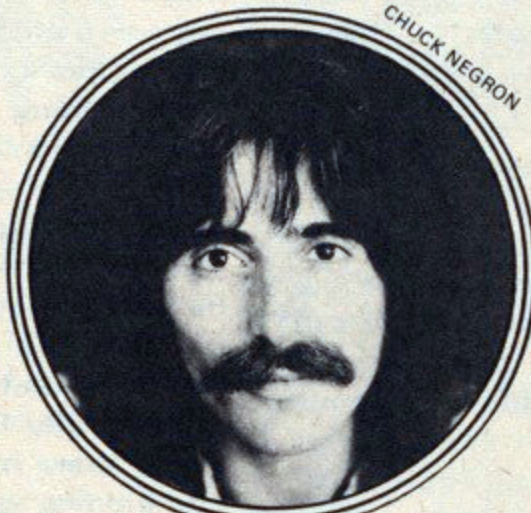

A. His real name is David Bruce Cassidy!

**Q. Does Donny really have a twin sister?** A.B.—Quebec, Canada

A. No, Donny doesn't have a TWIN sister, but Marie Osmond does look a lot like Donny and the rest of her brothers.

**Q. I want to know where to write to the Jackson Five.** E.R.—Puerto Rico

A. Write to them at their fan club address: Box 649, Hollywood Station, Hollywood, CA 90028

CHUCK NEGRON

RICK SPRINGFIELD

**Q. I heard that Elvis Presley has cancer in both eyes. I hope not. Is there any truth to this?** D.W.—Portland, Oregon

A. Another silly "scare" rumor. No, it's not true.

JOHNNY WHITAKER

**Q. I just saw Don Johnson in "The Harrad Experiment" and he's fantastic! Please tell me how old he is and if he's married.** M.D.—Sherman Oaks, Calif.

A. He is fantastic, isn't he? Don is 24 and not married!

**Q. I heard Paul McCartney has a brother named Michael but I was wondering if he uses a different last name. Can you tell me if he does and what it is?** K.V.—Chicago, Ill.

A. Paul's brother uses Michael McGear as his professional name—he's also a singer.

**Q. I saw Jeff East in the Movie, "Tom Sawyer" and he was neat! Could you please tell me his place and date of birth, his height, and hair and eyes? Thank you.** L.O.—Lansing, Mich.

A. Jeff was born on October 27, 1957, in Kansas City, Missouri. He's got sandy-blonde hair, blue eyes, and last I heard, he was about 5' 4" tall, but you never know the way boys grow at his age!
