YOU CAN SEE THE DeFRANCOS IN CONCERT!

New York, Missouri, Canada: It's no lie—if you live in the right area you can see the famous DeFranco Family in your state! They'll be in Buffalo, New York, around May 3, Eureka, Missouri, June 14-16, and Toronto, Canada, with Helen Reddy on August 22.

SCOTT JACOBY ENROLLS AT HIGH SCHOOL IN HOLLYWOOD!

Registration Desk: There's no Scott Jacoby registered at John Marshall but he was seen there several days while filming a 90 minute Movie-of-the-Week which is a pilot for a possible series, The high school is a TV star in itself—several television shows and movies are filmed there including "Room 222." Our own editor Sharon Lee drives by the site every

day on her way to work and stopped by one day to say hello to Scott while he was pretending to be a student enrolled at the school!

JEFF

JEFF EAST HUNTS A COUGAR IN THE MOUNTAINS!

Walt Disney Studios, Burbank: This ridiculous rumor originated while Jeff was seen in the moun-

tains filming a TV Movie-of-the-Week, "The Year of the Big Cat." Jeff loves animals and could never bring himself to harm one in any way. He really enjoyed working on the Disney film and got along well with his co-star—the big cat!

DAVID

DAVID CASSIDY CANCELS CONCERT TOUR!

Japan, Hong Kong, Australia, London: Definitely not the truth—David has never been so excited about a tour and would not think of cancelling it. He is already sold out for the biggest tour in his successful career. David Cassidy Tour '74 will play Japan, Hong Kong, New Zealand, Australia, and London to sold out houses with very enthusiastic fans. London's White City Stadium has a capacity of sixty thousand which has been restricted to forty thousand by the city officials because they know how excitable David's fans can become. They insist on safety first.
