

# DEAR FLIP

**Q. My cousin and I were talking about stars who take drugs and I told her the Osmonds don't take drugs but she said they probably do just to stay awake. Could you please tell me which of us is right?** D.S.—Huntsville, Ark.

A. You are right. The Osmonds don't take any drugs!

**Q. I've been wondering if David Cassidy and Susan Dey were ever planning to get married?** D.P.—Winter Haven, Fla.

A. No, David and Susan only dated a few times way back when they first started the show. Since then, they've just been friends.

**Q. I'm just dying to find out when Warren Entner was born! Can you tell me?** T.B.—Montgomery, Ala.

A. Warren was born July 7, 1943. So stop dying now!

David Holmes

**Q. Is it true that Donny Osmond has false teeth? I sure hope not because I always thought his teeth were beautiful!** C.R.—Drayton Valley, S.C.

A. Donny's beautiful teeth are his own natural teeth that he was born with!

**Q. What is Marie Osmond's full name? I heard that it was Olive Marie, but if that's true why is she always called Marie? Doesn't she like the name Olive?** C.J.—Chicago, Ill.

A. Olive Marie Osmond is her full name but it gets very confusing since her mother's name is also Olive, so her mother is called Olive and she's Marie—a name she loves!

Shirley Jones

**Q. Can you tell me anything about what any of the Monkees are up to now? I hope so. No one else seems to care about them any more.** P.R.—Batesville, Ark.

A. Sure—I saw Davy Jones just the other day. He was appearing as the Artful Dodger again in the L.A. production of "Oliver." He's heavily into acting and singing, and you may be hearing more from him. Peter seems to have dropped out of sight. Micky is recording as a solo artist on MGM Records. And Mike is living in Palm Springs and recording country music that is fantastic. Hope that helps you out some.

**Q. Can you please tell me the middle names of all the Jackson Five? Please!!** P.C.—Clinton, N.Y.

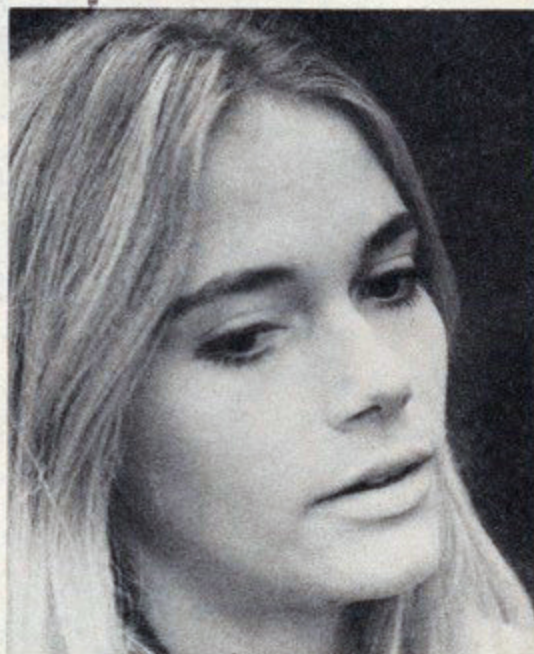

A. Here goes—Michael Joe, Marlon David, Toriano Adaryll, Jermaine LaJuane and Sigmund Esco (Jackie).

**Q. I've heard that Michael Ontkean is married! Is it true? If so, what is his wife's name and how long have they been married?** C.K.—Phoenix, Ariz.

A. Yes, it is true. Michael and his wife, Fran, have been married for two years.

**Q. Some of our friends said that Merrill and Donny were riding a motorcycle and it went over a cliff and Merrill was killed and Donny's in the hospital and can't sing anymore! Is any of this true? I hope not!** B.W. & D.B.—Little Hocking, Ohio

A. None of it is true. All of the Osmonds are fine!

Peggy Lipton

**Q. Is it true that David Cassidy is secretly married? I hope not!** C.M.—Winder, Ga.

A. No, it's not true. He's very single!

**Q. I like Alice Cooper and would like to know where I can write to him.** S.H.—Dallas, Tex.
