

# "IS IT TRUE?"

Send your letters to Dear Flip, 405 Park Avenue, New York, N.Y.

**play music with his brother, David?** M.D.—London, England

A. Shaun's group is called Long-fellow, and you should be hearing more about them soon!

**Q. Is it true there are nine brothers in the Osmond family? What are all their names? And what do the others do?** S.R.—San Juan, Puerto Rico

A. There are nine children in the family, and one of them is Marie. The other two brothers who don't perform are Tommy and Virl Osmond, both of whom are happily married and help run the family business.

**Q. Could you tell me where to write to the most beautiful guy in the United States, Rick Springfield? Thanks a lot!** M.S.—Chicago, Ill.

A. Sure! Write to Rick at P.O. Box #60957, Terminal Annex, Los Angeles, Calif. 90060!

Rick Springfield

**Q. I've heard that the Osmonds don't drink cokes, coffee and stuff like that, but in other magazines I heard that they do. Please set me straight.** T.P.—Lookout Mt., Tenn.

A. The Osmonds do not drink anything with caffeine in it (including colas and coffee) because it is against their religion.

**Q. Is John Fogerty a Taurus or a Gemini? I read in "Inside Creedence" that he was a Gemini, but his birthday is May 18 and doesn't that make him a Taurus? I'm confused.** D.K.—Ridgefield, Conn.

A. Whoever wrote the book must have been confused, too, because he was born May 18 which according to my astrological expert makes him a Taurus near the border of Gemini.

**Q. I like Jan-Michael Vincent so much! Can you please tell me where I can write to him?** C.A.—Dallas, Tex.

A. You can write to Jan-Michael at 133 S. Robertson Blvd., Suite 15, L.A., Calif. 90035

**Q. PLEASE tell me where to write to Donny Osmond! I have to know! I love him!** B.M.—Grapeland, Tex.

A. You can write to Donny and all of the Osmonds at P.O. Box 8888, Salt Lake City, Utah 84108.

**Q. Is it true that David Cassidy is buying land in Hawaii and planning to move there? I hope not!** A.B.—North Syracuse, N.Y.

A. Yes, David has already bought property there and is right now building a home. He's planning to live there most of the time, but his family and friends are in California, and so is his career, so he's not going to stay away for long periods of time!

**Darryl Cotton used to be in a group called Zoot in Australia. But then I heard somewhere else that Rick Springfield was in Zoot. Who's right?** M.M.—Charleston, S.C.

A. Both are! Darryl and Rick worked together quite closely in Zoot for a number of years, and the group

Richard Thomas

was very successful with many songs on the Australian charts! They're still good friends and dig seeing each other occasionally here in the States!

**Q. Where does Richard Thomas get those clothes he wears on "The Waltons"? They look so old, he must find them in second-hand stores. Why don't they give him a new wardrobe to wear?** L.S.—Wellington, Ohio

A. Actually, the wardrobe department at the studio has those clothes made up NEW, and then put the clothing through a "secret" aging process to make them look authentic! In those days, new clothes were hard to come by! That's why it looks so real on "The Waltons"!

**Q. Is Ted Neeley married? I saw him in "Jesus Christ Superstar" and just flipped! Thanks!** C.S.—Mexico, Mo.

A. Nope, Teddy's very single and very available!
