BJORN SKIFS

### BJORN SKIFS ATTACKED BY PINK GORILLA AT L.A. AIRPORT!

L.A. Airport: This rumor is partially true and came about when Bjorn Skifs, the lead singer of Blue Swede, was leaving Hollywood to return to Sweden. Prior to his departure a giant pink gorilla with a rhinestone collar came running through the lobby of his hotel, picked Bjorn up and carried him to a limousine. He rode with him to the airport and carried Bjorn to the ticket counter. But never fear, this was all a publicity stunt that was sprung on him by his publicist, and by the way Bjorn was really surprised.

DAVID CASSIDY

### DAVID CASSIDY FINDS TRUE LOVE!

St. Tropez: After a whirlwind European tour, David Cassidy took a break from his busy career and fell in love. While vacationing in the south of France he met fashion model Hoima MacDonald, and we know this item might break a lot of young hearts, but he flew her back to Hollywood with him. Could this mean wedding bells in the near future? Only time will tell. Be sure to watch this column for the real truth.

MIKE LOOKINLAND

### MIKE LOOKINLAND SIGNS MAJOR RECORDING CONTRACT WITH CAPITOL RECORDS!

Hollywood: Yes, this rumor is totally true and 13-year-old Mike is very excited about his first single, "Love Doesn't Care Who's In It." Watch for great things from this bright ex-Brady Buncher. By the way, if you want to write Michael, you can send your letter c/o Capitol Records, 1750 N. Vine St., Hollywood, Calif. 90028.

LINDA BLAIR

RICK SPRINGFIELD

### RICK SPRINGFIELD ENGAGED TO LINDA BLAIR!

Hollywood: This rumor is quite shocking and when we first heard about it, we couldn't believe our ears. The truth is, while young "Exorcist" star Linda Blair was visiting Hollywood, Rick Springfield was playing at the Whiskey A-Go-Go, and they met backstage and Linda flipped. Two nights later they were seen in a cozy corner at the Rainbow having dinner. To clear up all rumors, in no way (as of this date) are they engaged.
