FACT: Roddy McDowall did play a very small part in the movie, but he hasn't confirmed it or denied it. "No Comment" is his attitude about it. Sources say his role was so insignificant and the movie didn't really make any kind of box office splash, so he preferred not to have his name associated with it at all! Why not see the movie and decide for yourself?

RUMOR: I'll be a David Cassidy fan 'til I die, so naturally I'm awfully upset by the talk that he's lost all his money and hardly has enough to eat! I'm praying this isn't so!
