

ALL YOUR FAVOURITE FAN CLUBS

**As a special bonus for
"Vibes" readers, we
have put together a list
of fan club addresses**

EVERY DAY we receive letters from all over Australia — and sometimes overseas — asking for fan club addresses. We can't answer all of them and we can't print every letter. So here we start a list of fan clubs and postal addresses. Not every artist has an official club, so if we've missed one of your favourites that is probably the reason, and we'd suggest you write to the respective record company.

Australia has its own fan club organization, The Australasian Fan Club Services Pty Ltd (AFCS). Ron Mooreland, national president of AFCS, says it appears that more and more groups will be joining the organization. It's a great set-up for the fans. For \$6 a year you get full membership, which entitles you to information and news letters on all the bands in AFCS. The address is PO Box 699, Crows Nest, NSW, 2065.
