## Quotable "Quotes"

Mel Brooks

You may have heard Mel Brooks' humorous quote, "If God wanted us to fly, he would have given us tickets." But do you recall these additional quotes from the famous comedy writer, producer, director and actor?

"Hope for the best, expect the worst. Life is a play. We're unrehearsed."

"If Shaw and Einstein couldn't beat death, what chance have I got? Practically none!"

"Every human being has hundreds of separate people living under his skin. The talent of a writer is his ability to give them their separate names, identities, personalities and have them relate to other characters living with him."

"My favorite expression is: When you go up to a bell, ring it. Or don't go up to the bell."

"Everything we do in life is based on fear, especially love."
