

**(Far left)** Oh, for peace and quiet where I can get in a little guitar practice. There's only one place where no one will disturb me – my bedroom!

**(Above)** I went to the cupboard but the cupboard was bare. I guess I'll just have to sit here at the table dreaming about the dinner I never had – my favourite pumpkin pie!

**(Left)** Receiving loud and clear in both ears. Isn't it great just to lie on your bed and drift with the music?
