

DAVID'S

This is one exam you'll never have to sit at school – that's for sure! It looks easy, deceptively easy. But in fact the questions call for quite a bit of thought before you answer them.

What you've got to consider is an imaginary first date between yourself and David. You're thrilled – who wouldn't be? – but also a little bit scared. You want to show David how much he means to you. At the same time you don't want him to think of you as just another girl who'd do anything to be seen with him, and blab her silly mouth off afterwards. After all, you're meeting David as a celebrity and not just some boy you've known all your life.

Right, then. Get a pencil or pen and put a tick in the appropriate box against each question. And no peeking at the answers until you've finished the whole Kiss Quiz!
