

How did you do in David's Kiss Quiz? Ten out of ten means you're completely his kind of girl. Any score less than seven could mean you're too keen on kisses for a first date with him!

- 1** If you answered **NO**, score a point. David likes a date to be a private occasion — not a personal appearance by a star.
- 2** If you answered **NO**, score another point. David isn't usually demonstrative in public, but if he likes a girl, he sees nothing wrong is giving her a friendly hug.
- 3** If you answered **YES**, score a point. David likes to know clearly where he stands with a girl.
- 4** If you answered **NO**, score a point. The last thing David wants is to embarrass a girl with a kiss she didn't expect or want.
- 5** If you answered **YES**, score a point. David has a great respect for other people's ethics. Of course he wouldn't laugh at you.
- 6** If you answered **NO**, score a point. By David's standards it's either a kiss on the lips — or no kiss at all!
- 7** If you answered **NO**, score a point. A swift kiss on the lips — to David's way of thinking — is quite in order. A prolonged display of passion is definitely *not* on a first date!
- 8** If you answered **NO**, score a point. David can be as shy as the next boy. Never make him feel he's *got* to kiss you.
- 9** If you answered **NO**, score a point. Many of the happiest romances never start with kisses. They come with time.
- 10** If you answered **YES**, you lose this point. Whatever other boys may expect, David is almost old-fashioned in his outlook. And with reason. If you've got a million girls chasing you, it's pretty obvious a little reserve becomes second nature with you!
