

The Partridge Family

CROSSWORD PUZZLE

CROSSWORD PUZZLE—The Partridge Family —Bell 1122

Not a difficult one to figure out, this one is going straight to the top and should be the beginning of another string of Partridge hits. Leading the pack is what must be the single, "One Day At A Time", a solid, harmonious pop vehicle that just won't be stopped in it's journey to the top of the singles charts. As usual David Cassidy shines and Shirley Jones fills the background with sweet vocals. Once again, the proper spelling is s-u-c-c-e-s-s.
