

DAVID CASSIDY (RCA JH 10405)

Darlin' (3:15) (Irving/BMI — B. Wilson, M. Love)

Well-constructed hit shot from the Bruce Johnston-David Cassidy workshop. David grabs onto some calypso and serves up the Brian Wilson-Mike Love (lot of big names involved on this one) classic in a near-hoarse, yet perfectly cutting style. Great harmonies all (we presume) overdubbed by Cassidy. AM, possibly FM, *maybe* soul charts. Flip: No info. available.
