10:00 P.M. 18-Marcus Welby, M.D., "Fun and Games and Michael Ambrose" (Color). The patient GP has a tough case in Midiabetic Ambrose, a ehael bent on punishing his novelist father for neglecting his mother before her death. The means, extreme to say the least, are to stop taking the insulin shots that sustain his life. After repeated threats, the boy does exactly that, and while his father is away, plugging his book on a talk show. John McMartin guests David senior, as Ambrose Cassidy as junior.
