'Partridges' Sing Along To Success

7:30-8 p.m. — The Partridge Family is a series which has

lots of ingredients which should make it a success. There are kids (one, deep-voiced redhead Danny Bonaduce, is a howl), a dog, soft rock music, snappy dialogue, a teenage sensation type (David Cassidy) and a pretty, witty Momma (Shirley Jones). Johnny Cash is seen in a bit here and, in case you don't know, David Cassidy is Jack Cassidy's son and

Shirley's stepson. **Best Bet Premiere.** Ch. 8.

6:30-7 p.m. — The Brady Bunch is back Don Drysdale the special quest. Seems Mike (Robert Reed) is designing a house for the former Dodger great and he introduces him to the boys since Greg is a baseball nut. Things get out of hand and it takes a clobbering on the mound to set things right. **Season Premiere.** Ch. 8.
