

They're Among The Ailing . . .

Don Rickles

Doctors say **Don Rickles** will be kept off the stage for six to eight weeks while recovering from surgery to repair a right achilles tendon torn while playing tennis. The 45-year-old comedian was reported "good" at Mt. Sinai Hospital in Hollywood after surgery Monday, four days after the accident . . . World famous cellist **Jacqueline du Pre**, 25, is suffering from "nervous exhaustion" and has

canceled all her professional commitments for at least a year, an aide says . . . **David Cassidy**, the 21-year-old singer who stars on the "Partridge Family" television series, has canceled several engagements to keep one with a surgeon. He'll have his gall bladder removed . . . **Sen. Stuart Symington**, (D-Mo.), has entered a Washington Hospital to have a tendon which he broke in his right hand reconnected.

David Cassidy
