

WELL, IT certainly was a tough job judging the thousands of entries for our super Cassidy contest, but a decision has finally been reached.

Personally autographed albums have been sent to Meredith Nicol, of Howick; Fiona Young, of Upper Hutt; Barbara Taylor, of Mount Roskill; and Andrew Nicholson, of Te Aroha.

T-shirts are on the way to all the consolation - prize winners.

Here are the answers:

1. Cassidy played roles in "Bonanza," "Mod Squad," "Marcus Welby," "Medical Center" and "Ironside."
2. He records for the Bell label.
3. He begins his 1974 world tour in Auckland.

Sunday News and Harry M. Miller would like to thank all those dedicated Cassidy fans who entered the competition.
