

Dave On Partridges Is Table Tennis Whiz

Hollywood (N E A)—D a v e M a d d e n, of The Partridge Family, is a table tennis whiz. In fact, wherever he goes he takes his personal custom-made p a d d l e with him, in a red leather case.

Not long ago he was on a cruise. He didn't enter the cruise tournament, but, after-

wards, he challenged the winner—and beat him, 21-5, 21-2.

Another Partridge Family member, David Cassidy, will now get his wish. He's said that he'll build a house on the Hawaiian island of Maui after the show is over—and it's over, so he's going ahead with his plans.
