

### NEW LOOK FOR TEEN IDOL

Singer and former television actor David Cassidy has changed his hair style. At right, he is shown as he looked when he was a leading character in the television series "The Partridge Family." At left, he is shown as he appeared recently at the King of Pop

awards in Melbourne, Australia. Cassidy was mobbed by 300 teenagers when he arrived in Melbourne, suffering a broken toenail when a teenybopper ripped off one of his sandals. (AP Photo)
