

# David Cassidy comeback

**David Cassidy**, teen star of the '70s TV show "The Partridge Family," is on the comeback trail, reports Entertainment Weekly. Now in his early 40s and married to his third wife, **Sue Shifrin**, Cassidy is writing a book about his days as a teen idol and hits the road in August.

"I'm going to put on my old jumpsuits, though I need to add a little spandex to them now. You can imagine what a thrill it's going to be to slip into some maroon crushed velvet again."
