

## Vegas performer 'similar' to Cassidy

**David Cassidy** has signed a multi-year contract to perform at the Rio Suite Hotel & Casino in Las Vegas. "I will do a hybrid Broadway musical," said Cassidy, who opens in January. "It will have a story and it will appeal to a large demographic audience." Cassidy began his career as a sibling in the '70s television series *The Partridge Family*. He promises a "very high energy" show. "It will give me an opportunity to play a character much like myself," he said. "I will not be playing David Cassidy. I will be playing a character with a lot of similarities."
