

Ruby & the Rockits, 7:30 p.m. on

ABC Family: David Cassidy of Partridge Family fame stars in this new sitcom, another family affair ... but it's his real family this time. He plays a rocker from the 1980s who has continued his hard-partying ways. When he learns he has a daughter (Alexa Vega), he seeks help from his brother and band mate-turned-family man (Patrick Cassidy, David's half brother) in giving her a proper upbringing. A third Cassidy brother, Shaun, is the show's executive producer.
